APPLICATIONS - A.Y. 2022/2023 – 38th CYCLE

PhD PROGRAM IN MICRO- AND NANO-ELECTRONICS

FREQUENTLY ASKED QUESTIONS

I hold a degree obtained outside Italy. Am I allowed to take part in the PhD competitions?

Yes, provided that the examining Committee recognizes your degree as being eligible for the selected PhD competition purposes only. If you hold a degree obtained at a non-Italian university, read carefully the call for applications (art. 2) and make sure you upload, during the online application procedure, all the documents listed in the call.

Can I apply for more than one administrative category for the same PhD course?

No: for each PhD course, candidates can only apply for one category.

I am an international candidate. Do I have to pay the application fee?

Yes – all candidates must pay the application fee.

I hold a bachelor degree and a master's degree attained abroad. Do I have to upload the documents regarding both of them?

Yes. We need the whole picture of your university education in order to assess the eligibility of your foreign degree for the selected PhD competition only.

How can I be sure that my online application was correctly finalized?

If you confirmed the data and obtained the pdf file including the application form and the payment notice, the online application is finalized. Now, you just have to pay the 35€ application fee (see the call for applications, art. 5). Make sure that you uploaded all the documents required for the specific competition for which you are applying. You can update, cancel or modify them by July 29, 2022 at 12:00 pm (CET).

How can I be sure that the application fee is paid?

Check your Personal Area, "Payments" section: if the payment has been received, it will show a green mark. If the mark is red, it means that the payment has not been received. Make sure that the payment is received by the deadline of July 29, 2022, otherwise your application will be discarded.

How can I be sure that I am allowed to take part in the selection process?

The list of candidates admitted to the selection process will be made available at http://phd.unipv.it/micro-nano-electronics-38/ after the deadline for applications.

Which documents am I supposed to upload during the application procedure?

In Annex 1 of the call for applications (pp. 16 ff.), the qualifications considered for evaluation are listed.

If you hold an academic degree obtained abroad, you must as well upload the documents listed in the call (art. 2) in order for it to be recognised as eligible for the participation in the PhD competition.

A copy of a valid ID of yours is also requested.

Where am I supposed to upload the documents required?

All the documents required, including the ID, must be uploaded in the "Qualifications" page.

What if I do not submit all the qualifications required for the selection?

If you do not upload some of the qualifications assessed, you will get a lower score in the qualifications assessment.

I paid the application fee. Do I have to send you the payment receipt?

No, there is no need to send us the payment receipt: the payment is automatically received by the application platform. If the payment has been properly finalized it will be shown in your Personal Area within some hours.

The application procedure does not give me the chance to request to be interviewed via videoconference, why?

There is no need to request it: all candidates will be interviewed remotely.

What am I supposed to do with the application form issued by the portal at the end of the application process?

Please send us the application form, duly signed, to concorso-dottorati@unipv.it by the date of the interview.
