

CORSO TRASVERSALE IMPROVING OUR COMMUNICATION SKILLS AND ATTITUDES IN HEALTHCARE

PROPONENTE

Prof. Pierluigi Politi - pierluigi.politi@unipv.it

OBIETTIVI FORMATIVI

Communication attitudes and skills include all verbal and non-verbal elements of our social interaction. Healthcare is a peculiar field where clinical communication should be a must for every professional but is often one of the most neglected issues during the training period. This brief course will introduce participants to basic skills of the effective healthcare communication, an essential part of building and maintaining good physician-patient and physician-colleague relationships.
