WHAT'S LEFT TO DO?

After completion of the enrollment process, **all PhD students must pay the enrollment fee, amounting to € 156.00, by the same deadline set for the enrollment**. The payment notice is made available, after the end of the enrollment process, in the "Payments" section of the students' Personal Area (right-hand menu).

Like the application fee, the enrollment fee must be paid via the PagoPA system, with one of the following methods:

- direct payment (credit cards or bank transfers through the affiliated banks) in the "Payments" section of your Personal Area, by clicking on the invoice number, then on the "Pay by PagoPA" button;
- deferred payment, bringing your PagoPA invoice to a bank, a post office, a SISAL or Lottomatica point, or using your home banking system. Candidates can print the invoice in their Reserved Area, by clicking on the invoice number and then on the button "Print notice for PagoPA".

There is no need to upload the payment receipt in the Personal Area.

SCHOLARSHIP GRANTEES ALSO HAVE TO:

1. **enter the details of their bank account in their Personal Area > Home > Personal data > Reimbursement information**
2. **fill in the fiscal declaration (form available in the same webpage as this file), sign it and send it via e-mail to dichiarazione.trattamentoeconomico@unipv.it**
3. **register in the INPS "Gestione separata" (the social security fund for PhD students)**. To do so, PhD students must have an Italian tax code (or fiscal code), which is required to get the PIN to access the INPS services. More information on how to request the tax code at <https://web-en.unipv.it/documents-required-for-your-stay/>. Once you get the tax code, you can request the PIN at the [INPS offices in Pavia](#) (open from 8.30 to 12.30, no need to make an appointment), bringing with you:
 - a. the [form MV35](#), duly filled and signed;

b. your passport and a photocopy of it.

Once you get the PIN, access your INPS Personal Area at <https://www.inps.it/prestazioni-servizi/servizio/2501> and register in the Gestione Separata.

Please note that the deadline for enrollment does not apply to the registration to the INPS Gestione Separata, considering that it takes some time to collect the necessary documents. Just make sure that you take care of this within a few months.

Once the student has enrolled, the PhD office is in charge of checking his/her documents and confirm the enrollment. This might take 1-2 weeks. An e-mail will be sent to the newly enrolled PhD student once his/her enrollment is confirmed. The e-mail will provide important information, including the student's official university e-mail account. The definitive password to access the university online services, including the students' Personal Area, will be sent to that e-mail account. **From now on, all communications from the PhD office will be addressed to the students' university e-mail account**, so please make sure you check it frequently.

As mentioned in the call, the **PhD scholarship is paid in monthly deferred installments**, with the exception of the first installment which might be delayed by 2-3 weeks (until mid-December), due to the accounting procedures necessary for the scholarship assignment.

Scholarship grantees can download the payslips every month at <https://www.unipv.u-gov.it/>. The students' profile in the payments portal will be only activated after the upload of the first payslip. The payment is usually performed at the end of the month.
