AND DECLARES UNDER HIS/HER OWN RESPONSIBILITY

pursuant to DPR (Italian law) n. 445 of December 28, 2000 ("*Testo Unico delle disposizioni legislative e regolamentari in materia di documentazione amministrativa*"), art. 47

- that he/she has never benefited previously from a scholarship for the attendance of a PhD programme, not even for short periods;
- to be aware that the PhD scholarship cannot be combined with other scholarships for any purpose awarded, except for those granted by national or international institutions aimed at integrating the PhD students' activity with research periods abroad;
- to be aware that the PhD scholarship cannot be combined with research grants (italian "*assegni per la collaborazione ad attività di ricerca*");
- to be aware of the penal sanction in case of false statement, in accordance with art. 76 of the DPR (Italian law) n. 445 of December 28th, 2000;
- to be aware of art. 75 of DPR (Italian law) n. 445 of December 28th, 2000 about the loss of benefits related to the assignment if, after a check by the Administration, the aforesaid declarations are found to be false;
- to be aware that the amount of the scholarship is in practice by deferred installment as per the announcement, with the exception of the first monthly payment, the settlement of which could be postponed to December in the event that the accounting procedures to be carried out necessarily at the end of enrollment and aimed at the disbursement of the scholarship have not yet been completed;
- to be aware that doctoral students with scholarships, in the event that they undertake work activities authorized by the Board of Teachers as provided for in the University Regulations on PhD courses, are required to comply with an income limit equal to the amount of the scholarship;

- h) to allow the University of Pavia – Research and Third Mission Unit to use collected personal data for the institutional purposes, in accordance with the D. LGS (Italian Law) n. 196 of June 30th, 2003 (“Legislation concerning the protection of personal data”), and to allow the University to communicate such data to the University administrative structures and to the entities directly involved in the PhD student’s juridical and economic position.
