10 minutes before the time specified in the schedule. When connected to the Zoom meeting, the candidates will be placed in the **waiting room** and actually admitted to the interview one by one. Therefore, do not worry if you will have to wait... Be patient! Remain connected to the waiting room until we will let you in the meeting for your interview.

For the interview each candidate has to prepare **5 slides** (absolutely no more than 5) to introduce him/herself, his/her background, expertise, and previous experiences.
